# Empowering Future Leaders Together

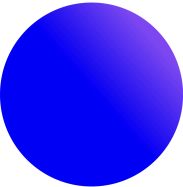

While representing less than

**3%** of colleges in the country

HBCUs produce

**46%** of Black women engineers

Research shows HBCUs

**out-perform  
peer institutions**

in terms of degree completion and  
household income at age 30

**46%** of HBCU students  
hail from low-income, single-head-  
of-household families

**\$20k** donations  
supporting HBCU students

**105** volunteer hours  
dedicated by Gen employees

**65** HBCU students mentored,  
providing career guidance and support
