

FERRERO GROUP SUSTAINABILITY REPORT 2021

Our global sustainability strategy is made up of four key areas of focus.

Promote responsible consumption

85%

of our sales volumes are serving sizes less than 130 calories

Source ingredients sustainably

100%

of our palm oil is RSPO certified

100%

of our cane sugar is certified and sourced through Bonsucro

95%

of our cocoa supply chain achieved back-to-farm traceability

Empower people

700k

hours of training were delivered to Ferrero employees across the world through Ferrero University

2.6m

children have been reached by the Kinder Joy of Moving programme, with initiatives in 28 countries

Protect the environment

84%

of the electricity we buy for our manufacturing plants comes from renewable sources

83%

of our packaging is now reusable, recyclable or compostable and we are on track to meet our 100% target before 2025
