

UPS Browns Get a New Look

New hats feature mesh backing made with moisture-wicking material and a wide brim for sun protection.

Shirts will continue to include the distinctive Circle of Honor patch for drivers who have driven 25 years without an accident.

A new polo shirt made with moisture-wicking material is lightweight and breathable.

A belt made with flexible material allows for more comfortable movement.

Reflective logos and strips on sleeves increase visibility and safety.

Shorts and pants use two-way stretch fabric for greater mobility and comfort.

Deeper pockets help keep customer delivery notices safe and dry.

IN PARTNERSHIP WITH RE:LOOM, SOME OLD UNIFORMS WILL BE UPCYCLED INTO USEFUL ITEMS.
